1 POLICY PURPOSE

This policy sets out the PI process for nominating athletes to be nominated to represent Team Ireland at the Games.

The policy confirms how para-athletes are to be:

- (a) considered eligible for nomination, which involves Pre-Participation Criteria and the achievement of the MES and the HPS; and
- (b) nominated.

To be considered eligible for nomination to Team Ireland to compete at the Games, athletes must first satisfy certain Pre-Participation Criteria. See section 2 for the Pre-Participation Criteria.

Then the athletes must satisfy the Nomination Criteria in an Event at a Recognised Competition during the qualification period to be eligible to compete in the Games. See section 3 for the Nomination Criteria.

The Nominators comprise an expert panel of three persons which nominate athletes according to the Nomination Criteria, which considers other factors besides the Pre-Participation Criteria, MES and the HPS performances. The final nomination of any athlete to Team Ireland at the Games is made by the Board. See section 4 for the Nomination Procedure.

All nominated athletes are required to sign and comply with all WPA requirements, rules and regulations and to comply with post nomination Team Ireland commitments. See section 5 for the Post Nomination team Commitments.

Section 6 sets out the conditions under which the Board may withdraw athletes from Nomination from Team Ireland and the Team Ireland member may withdraw.

Section 7 sets out the procedures for nominating staff to support Team Ireland.

Prior to the actual nomination, athletes will be afforded an opportunity to appeal any non-nomination within a specific period of time, before the Board complete the nomination. See section 8 for the Nomination Appeal Procedure.

- 3.5 The Nominators shall have regard to the WPA Rules and Regulations in force at the time of each Recognised Competition during the WPA Qualification Period when considering each athlete performance.
- 3.6 Without limiting their discretion, the Nominators may consider the following additional factors when considering the nomination of any athlete for nomination:
 - (a) Potential to win a medal at the Games;

prioritised, at the discretion of the Nominators, according to the factors set out at section 3.3 and section 3.5.

In making their decision, the CMO may seek further opinions from suitably qualified medical practitioners where appropriate.
- 3.9 In sports where the athlete quota slots offered to PI are gender specific; PI will apply such quota restrictions on the nomination process. As a consequence of these restrictions, in some cases a lower ranked/performing athlete of one gender may be nominated ahead of a higher ranked/performing athlete of the other gender.

 - (e) To ensure top athletes that may have not had the opportunity to formally qualify due to extraordinary circumstances (e.g. injury, etc.).
- 3.11 The PI Board has discretion to submit an application to consider awarding Bipartite Commission Invitations to a PI athlete. That application must be submitted to the IPC by 2 June 2024 and is based on a recommendation from the Chef de Mission and Head of Paralympic Athletics. In considering the athlete to be proposed the Head of Paralympic Athletics may consider the following conditions and/or such other criteria it deems justifiable in the recommendation for the slot in the circumstances:
- (i) The athlete has proven ability to be competitive and perform at the Paralympic Games;
 - (ii) The athlete has not had the opportunity to qualify through the normal qualification system due to event cancellation, injury, pregnancy, nationality dispute or any such other events or reasons which the PI Board is satisfied (in its sole discretion), meaning the athlete did not having the opportunity to qualify through the normal qualification system;
